

Engineering FUNdamentals Class

By Play-Well TEKnologies

For grades 2 to 5

At Challenger Elementary

Design and build motorized machines, catapults, pyramids, demolition derby cars, truss bridges, buildings, and other constructions. Explore concepts in physics, mechanical engineering, structural engineering, and architecture while playing with your favorite creations. This is a hands-on and minds-on class suitable for LEGO Technic novices to “maniacs.” The class will include challenge projects for students who have taken a Play-Well course before, but parents should note that the curriculum may repeat from term to term. This class is not affiliated with the LEGO Group.

Class meets 3:00pm-4:30pm on Thursdays in the Gym

CLASS DATES: Apr. 8, 15, 22, 29 & May 6, 13, 20, 27

COST \$122

TO REGISTER: Please register through Challenger PTA. Complete the “After School Program Registration” form found on the FORMS page of the PTA website, www.challengerpta.org. Submit this form with your payment to the school office. Be sure to write “Lego Engineering” on the “Program Attending” line in the upper right hand corner of the registration form. For more assistance, contact the PTA Co-Presidents, Deneall Owens or Leslie Miniken, at info@challengerpta.org.

Please register early to avoid cancellation of the class.

Email bobby@play-well.org if you need more information about the class. Ask about birthday parties and summer camps.
