“**Discovering Spanish**” is a hands-on after school program that will make learning a new language a fun and exciting experience. Your children will learn by their exposure to music, sounds, story-telling, games, colorful visual aids and practical conversation.

During the Spring session we will be learning about animals, their homes and nature. We will have fun with farm animals, pets, ocean life, wild animals and much more. At the same time we will be learning useful everyday phrases, vocabulary and verbs.

Don't let your child miss the opportunity to learn a new language while having fun.

About the Teacher: Native speaker Spanish teacher with seven years of experience teaching at all levels.

Please submit your complete application to the Office at Challenger as soon as possible. In addition to this completed form, please attach your payment and a completed copy of the After School Registration Form. You can get this form by going to the PTA website (www.challengerpta.org), on the Forms page, the very first item is the "After School Registration Form." Please note that your application will not be complete, or considered, until all 3 completed documents have been received.
