WE NEED YOU! Be a part of this year's My Summer Journal!!

Have fun writing about your summer AND earn prizes!!!

HERE IS WHAT YOU NEED TO DO:

- 1) **GET A NOTEBOOK TO USE AS YOUR JOURNAL - (nothing fancy necessary - any writing notebook will do, a simple spiral notebook will work great)**
- 2) **GLUE THIS PAGE TO THE INSIDE COVER OF YOUR NEW SUMMER JOURNAL & GLUE THE CALENDAR PAGE ON THE FIRST PAGE OF YOUR JOURNAL.**
- 3) **START WRITING! See details below!**

Here is the scoop: Use your summer journal to write, write & write some more! You can write about special events and your fun summer times with your friends and family. You can also write stories! Use your imagination and creativity to come up with writing ideas! We have also included a list of "Summer Journal Ideas" to help you get started or to use when you are having trouble coming up with an idea.

In August when school starts, please bring your journal to school and give it to your new teacher.

There will be prizes for everyone who writes in and returns their journal (**see Prize Page**). You must write in your journal AT LEAST 10 times to receive a prize. The more days you write, the more prizes you will receive!

On the **Calendar Page** (attached), circle each day that you complete an entry in your journal. At the end of summer, record total number on bottom of the calendar. The Calendar Page also lists requirements for journal entries at each grade level – make sure your entries meet the requirements for the grade that you are entering in August!
